

Summer School Counsellors

Ready to make your mark in the Arts?

Established in 1959, Canada's National Ballet School is one of the world's foremost training institutions for aspiring young dancers and teachers. Attracting students from across the country and around the world, NBS is the only ballet academy in North America to provide elite dance training, academic instruction and residential care on the same campus. The School's progressive curriculum, with its emphasis on the physical and emotional well-being of the student, has put NBS at the forefront of dance training internationally.

Making dance relevant to all persons through its philosophy of 'sharing dance' sees NBS engaging a diverse mix of participants, from school children to people living with Parkinson's Disease, in both on and off-site classes.
