

ROLE OF A CHOREOGRAPHER

Creates the Vision of the Piece:

Music

Concept

Vocabulary { CONTEMPORARY
or CLASSICAL

Workshops

Ideation, music,
student collaboration

Artistic Assistant(s)

Helps evolve
movements

Casting

How many dancers
and what role do
they play

Repetiteurs

NBS artistic faculty
help with rehearsals
and production of
the performance

Assembles a full creative team

- Costume designer – fashions all the costumes for every dancer (NBS has its own wardrobe department to create all costumes!)

- Lighting designer – creates the mood and atmosphere

- Set/production designer – models and builds every prop and piece on stage

- Dancers – in addition to learning the choreography, sometimes dancers are engaged in every aspect of the creative process
