

How to Register: Sharing Dance Seniors *at Home*

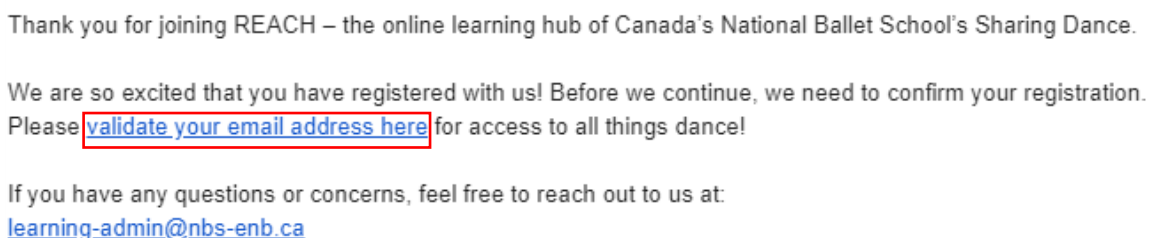

1. Go to REACH at <https://learning.nbs-enb.ca/d2i/login>. This is NBS' online learning platform, where the pilot classes will be posted. If you do not already have an account with REACH, then click on "Register here". If you already have an account, please skip to step 4.
 - a. It will ask you for your name, email address and to create a username and password. Be sure to write your username and password down, as you will need it later.

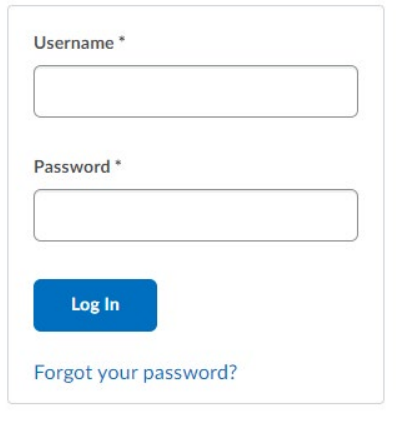

2. Once you have created an account, you will receive a notification in REACH asking to verify your account. If you do not verify your email, then you will not be able log in to REACH.

3. Please log in to your email account that you used to create your account (this may take a few minutes!). Please click on the link to verify your email address. If you did not get an email, please check your junk folder. If there is still no email in your junk folder, please email sharingdance@nbs-enb.ca for assistance.
